

No. 126039

"IT OPENS FLAT"

"The Eureka" (STUB FILLER)

PATENTED JULY 7, 1896

THE HICKS-JUDD COMPANY

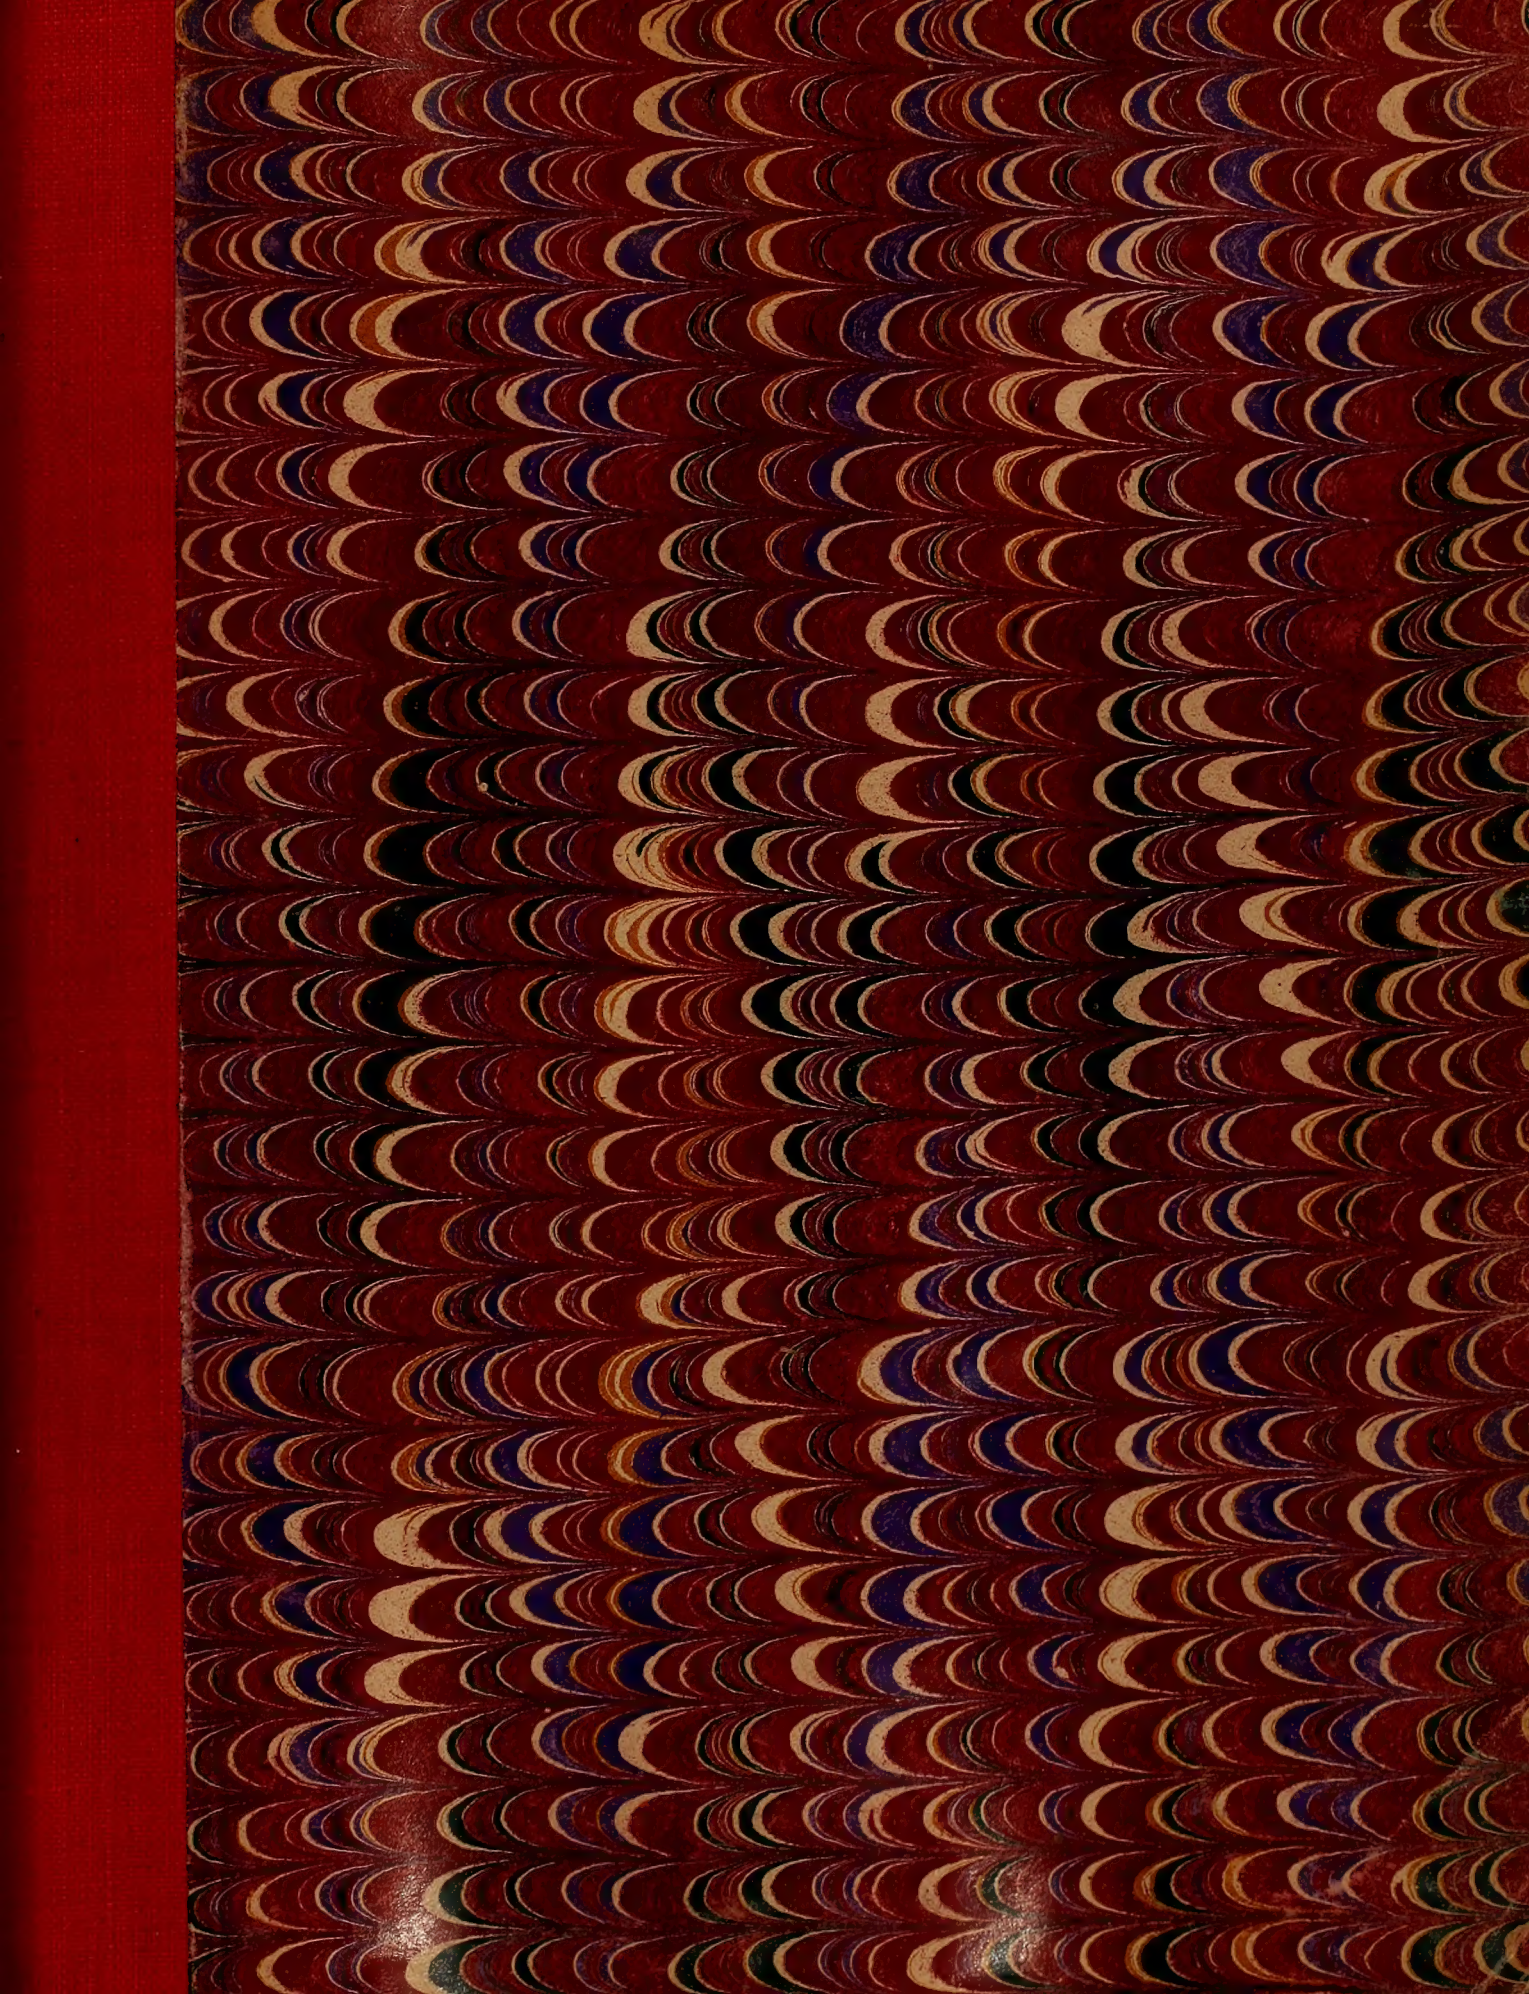

Blank Book Manufacturers
Printers

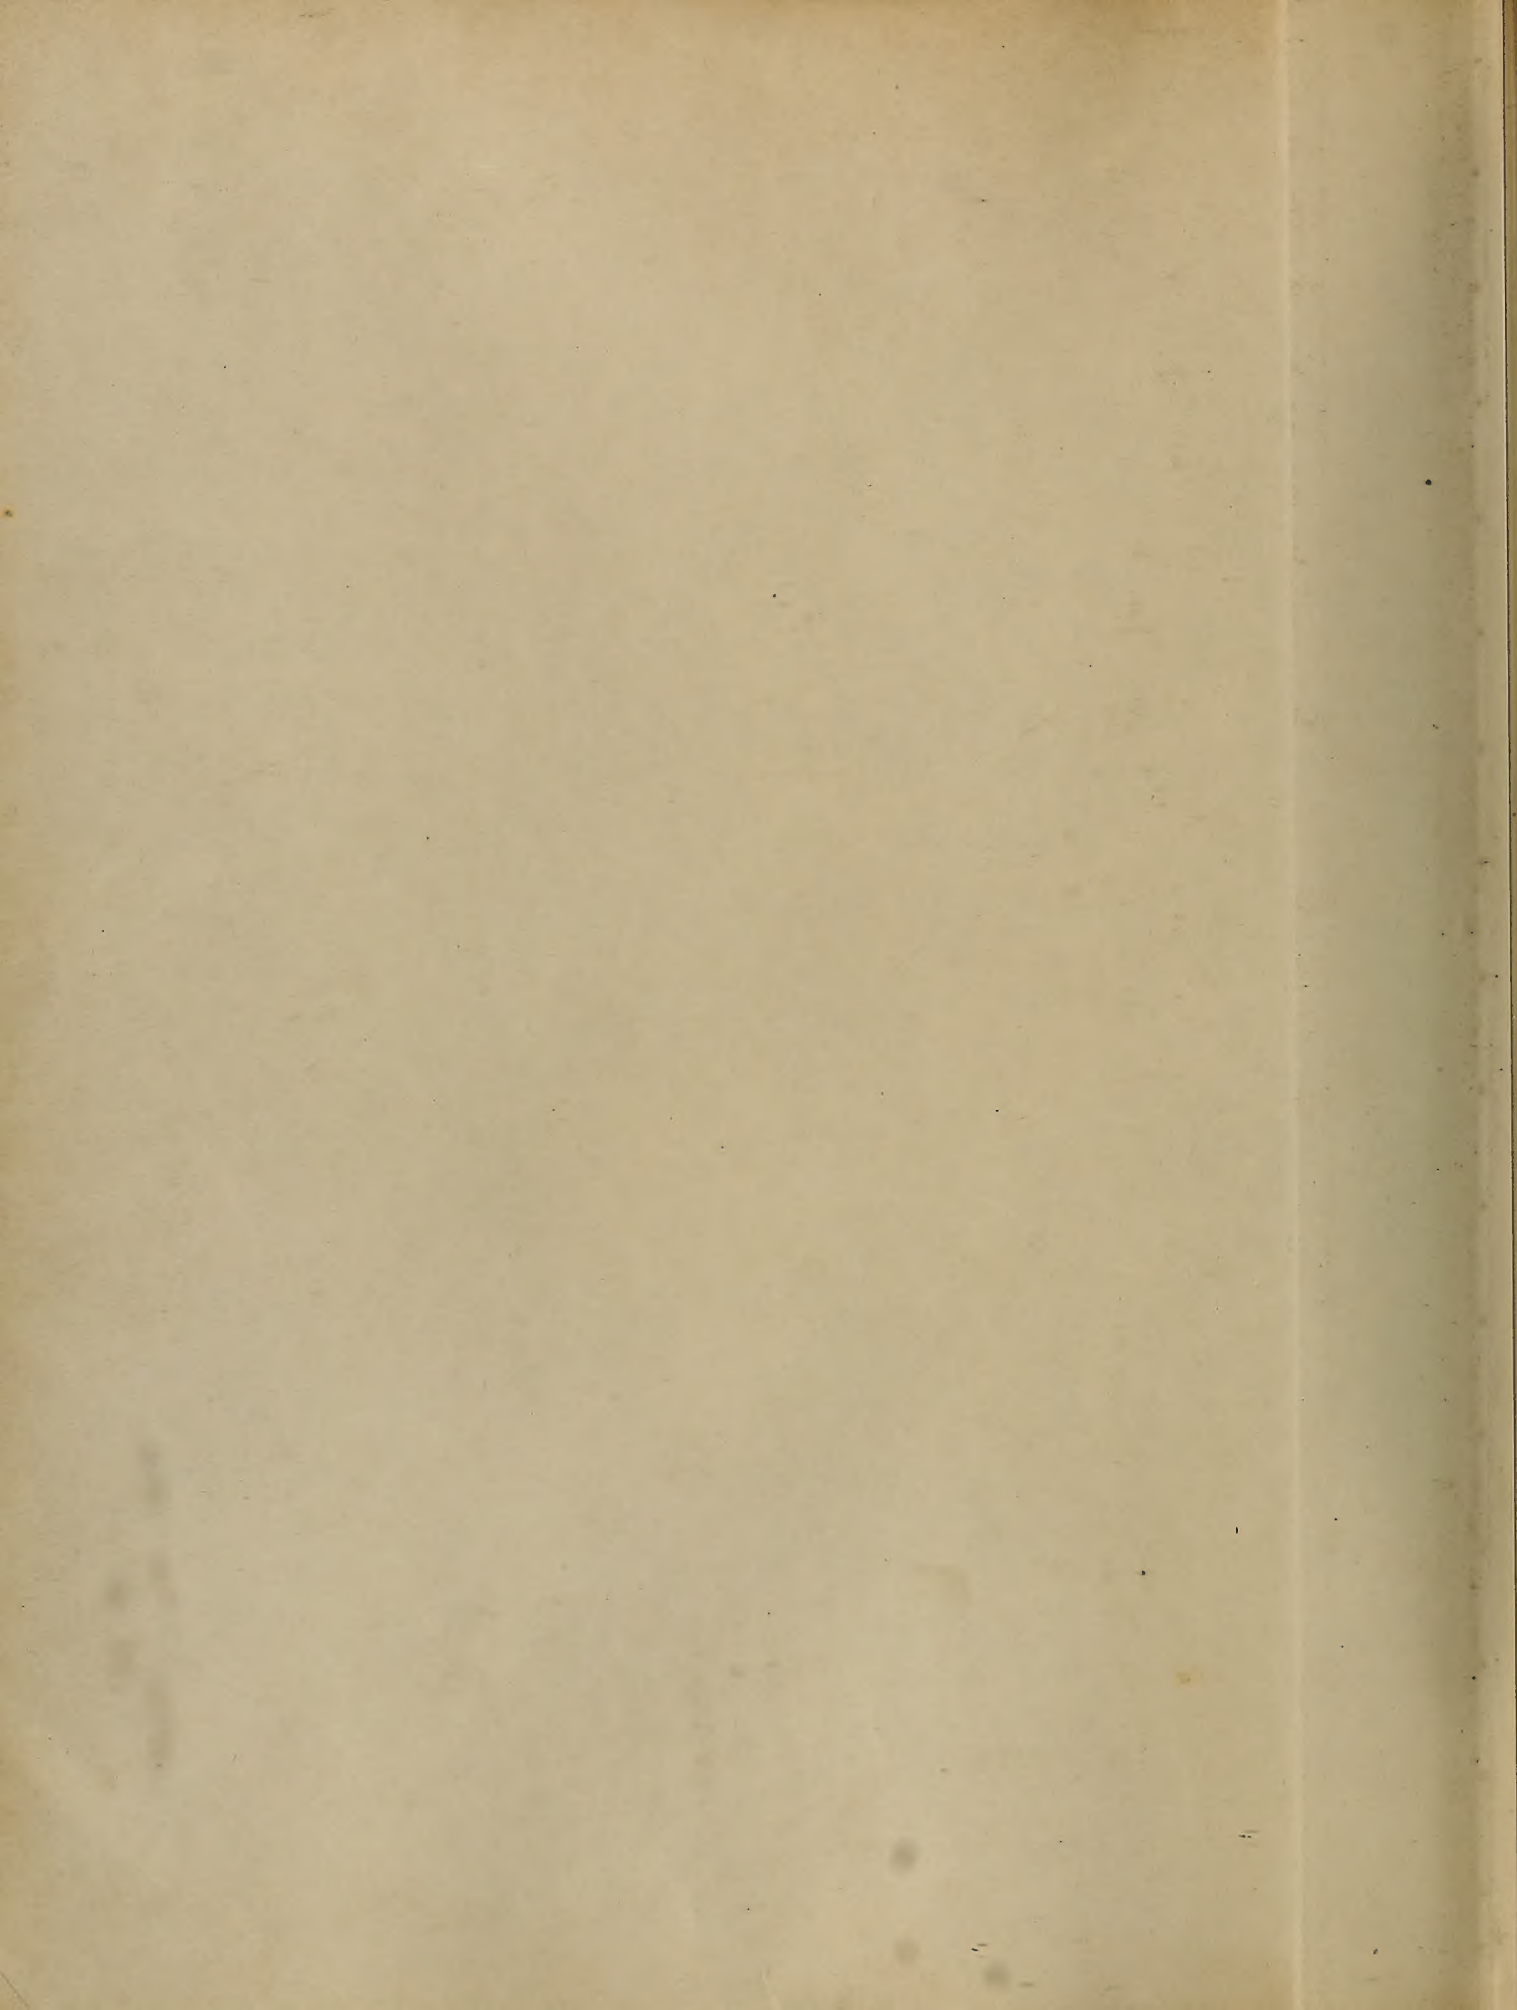

23 First Street, San Francisco, Cal.

GIVE ABOVE NUMBER WHEN ORDERING A DUPLICATE

Your attention is particularly called to the new features and strong qualities of this patent flat opening blank book.

The sewing through the sections to a strip of heavy canvas lined with bond paper and each section glued up, lessens the strain on back. Two sections are joined together, making one sewing to the strip which goes over the back.
